In case of an emergency, such as odor of gas, carbon monoxide or fire:

- Leave the building or area immediately.
- Leave windows and doors in their positions and avoid doing anything that could cause a spark.

Always Call 8-1-1 Before You Dig
If you're planning a home or landscaping project, call Indiana 811 at least two business days before digging. A representative will mark the approximate location of underground utility lines for free.

Employee Identification
All our employees and contractors carry photo identification. Ask to see it before allowing anyone who claims to be a utility representative into your home. Call the police if you see suspicious activity.
