Messages

To avoid a 1.50% Late Payment Charge being added to your bill, please pay the **Amount Due** by the Due Date.

The information below shows specific charges for the costs of energy efficiency, peak demand reduction, and renewable energy. These charges are not new, but are and previously were consolidated with other charges on your bill.

Energy Efficiency	94,394 KWH x 0.000000	\$0.00
Peak Demand Reduction	94,394 KWH x 0.000000	\$0.00
Renewable Energy	94,394 KWH x 0.001973	\$186.24

Your next meter reading is scheduled to occur on or about Jul 23, 2024.

You may be able to access more detailed energy usage information from your smart meter, which can help you better understand your electricity use and make informed decisions on how to manage and control your electricity consumption. View "My Usage" on the Home Energy Analyzer tool at energysaveOH.com to access this information. As of June 1, 2024, non-residential customers who receive electric service through the company's Standard Service Offer will receive new prices for Rider GEN, as approved by the Public Utilities Commission of Ohio (Case No. 240445-EL-RDR).

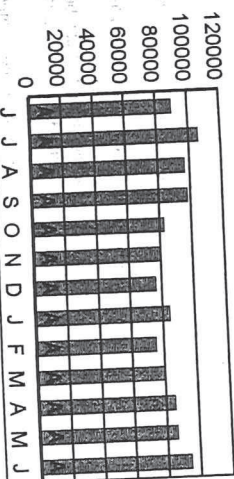

For a brochure describing your customer rights and obligations, please call our Customer Service phone number.

Tree branches and shrubs -- and insects that nest in vegetation -- can make it difficult and, at times, unsafe for our employees to read your meter. Please be sure your meter is easily accessible by clearing the path to it and the area around it.

Additional messages, if any, can be found on back.
