Your Safety

Gas Safety

In case of an emergency, such as odor of gas, carbon monoxide or fire:

- Leave the building or area immediately.
- Leave windows and doors in their positions and avoid doing anything that could cause a spark.
- From a safe place, away from the building or area, call **911** and NIPSCO at **1-800-634-3524**.

Always Call 8-1-1 Before You Dig

If you're planning a home or landscaping project, call Indiana 811 at least two business days before digging. A representative will mark the approximate location of underground utility lines for free.

**Employee Identification**

All our employees and contractors carry photo identification. Ask to see it before allowing anyone who claims to be a utility representative into your home. Call the police if you see suspicious activity.

Business Energy Efficiency Savings

Small businesses can earn incentives for making electric and natural gas energy efficiency improvements in existing buildings. The Small Business Direct Install (SBDI) program is designed to encourage energy-saving projects involving the installation of new, high-efficiency equipment or systems. Updates must be installed by a program-approved SBDI Trade Ally. Visit NIPSCO.com/SBDI for more information.
