A new discount for electric bills is available if you have a financial hardship status on your electric account. Based on your household income or receipt of a public assistance benefit, you may be eligible for a 10% or 50% discount off your electric bill per month. For example, if you have a \$100 monthly bill, it would be \$10 less if you receive a 10% discount or \$50 less if you receive the 50% discount. See how to enroll at eversource.com/billhelp.
