Additional Terms

Applicable only to the Service Location(s) served under this Attachment A-1.

The General Terms and Conditions and Exhibit A most-recently executed between the parties on or prior to the date hereof are hereby incorporated herein by reference and become a part of, and govern, this Attachment A-1. The pricing on this Attachment A-1 does not include any EDC or otherwise non-bypassable charge or any applicable (and not expressly included) tax.

Notwithstanding anything contained in this Agreement to the contrary, Customer shall have the right to amend the list of Service Locations identified in this Attachment A-1 without impact to the Energy Price agreed hereunder by adding to or deleting from such Service Location list provided that (1) there is no Event of Default by Customer; (2) any such Service Location to be added is within the applicable EDC and ISO zone currently served by AEP Energy under the terms of this Attachment A-1; (3) such amendments are made solely in order to reflect additional Service Locations or deletions in respect of Service Location closures or transfers to unaffiliated third parties, and (4) the additions and deletions do not result in a change to overall usage, as specified in the Estimated Customer Usage Table in Attachment A-1 at the time of such addition or deletion, by more than ten percent (10%) of the Estimated Customer Usage Table in Attachment A-1 as of the effective date of this Agreement (the "Threshold"). If Customer adds Service Locations that result in an increase in annual usage of more than the Threshold, then the Energy Price for such additional usage shall be mutually agreed to in writing by the parties. Any deletions in excess of the Threshold shall result in the payment of actual damages, if any, by Customer.
