In case of an emergency, such as odor of gas, carbon monoxide or fire:

- Leave the building or area immediately.
- Leave windows and doors in their positions and avoid doing anything that could cause a spark.
- From a safe place, away from the building or area, call 911 and NIPSCO at 1-800-634-3524.

Always Call 8-1-1 Before You Dig

If you're planning a home or landscaping project, call Indiana 811 at least two business days before digging. A representative will mark the approximate location of underground utility lines for free.

**Employee Identification**

All our employees and contractors carry photo identification. Ask to see it before allowing anyone who claims to be a utility representative into your home. Call the police if you see suspicious activity.
