#### Rules and rates

You may be eligible for a lower rate. To learn more about optional rates or view a complete list of rules and rates, visit [www.pge.com](http://www.pge.com) or call 1-800-743-5000.

If you believe there is an error on your bill, please call 1-800-743-5000 to speak with a representative. If you are not satisfied with our response, contact the California Public Utilities Commission (CPUC), Consumer Affairs Branch (CAB), 505 Van Ness Avenue, Room 2003, San Francisco, CA 94102, 1-800-649-7570 or 7-1-1 (8:30 AM to 4:30 PM, Monday through Friday) or by visiting [www.cpuc.ca.gov/complaints/](http://www.cpuc.ca.gov/complaints/).

To avoid having service turned off while you wait for the outcome of a complaint to the CPUC specifically regarding the accuracy of your bill, please contact CAB for assistance. If your case meets the eligibility criteria, CAB will provide you with instructions on how to mail a check or money order to be impounded pending resolution of your case. You must continue to pay your current charges while your complaint is under review to keep your service turned on.

If you are not able to pay your bill, call PG&E to discuss how we can help. You may qualify for reduced rates under PG&E's CARE program or other special programs and agencies may be available to assist you. You may qualify for PG&E's Energy Savings Assistance Program which is an energy efficiency program for income-qualified residential customers.

#### Important definitions

**Rotating outage blocks** are subject to change without advance notice due to operational conditions.

**Tier 1/Baseline allowance:** Some residential rates are given a Tier 1/Baseline allowance - a CPUC approved percentage of average customer usage during summer and winter months. Your Tier 1/Baseline allowance provides for basic needs at an affordable price and encourages conservation. Your allowance is assigned based on the climate where you live, the season and your heat source. As you use more energy, you pay more for usage. Any usage over your baseline allowance will be charged at a higher price.

**Wildfire Fund Charge:** Charge on behalf of the State of California Department of Water Resources (DWR) to fund the California Wildfire Fund. For usage prior to October 1, 2020, this charge included costs related to the 2001 California energy crisis, also collected on behalf of the DWR. These charges belong to DWR, not PG&E.

**Power Charge Indifference Adjustment (PCIA):** The PCIA is a charge to ensure that both PG&E customers and those who have left PG&E service to purchase electricity from other providers pay for the above market costs for electric generation resources that were procured by PG&E on their behalf. 'Above market' refers to the difference between what the utility pays for electric generation and current market prices for the sale of those resources. Visit [www.pge.com/cca](http://www.pge.com/cca).

**Wildfire Hardening Charge:** PG&E has been permitted to issue bonds that enable it to recover more quickly certain costs related to preventing and mitigating catastrophic wildfires, while reducing the total cost to its customers. Your bill for electric service includes a fixed recovery charge called the Wildfire Hardening Charge that has been approved by the CPUC to repay those bonds. The right to recover the Wildfire Hardening Charge has been transferred to a separate entity (called the Special Purpose Entity) that issued the bonds and does not belong to PG&E. PG&E is collecting the Wildfire Hardening Charge on behalf of the Special Purpose Entity. For details visit: [www.pge.com/tariffs/assets/pdf/tariffbook/ELEC\\_PRELIM\\_JF.pdf](http://www.pge.com/tariffs/assets/pdf/tariffbook/ELEC_PRELIM_JF.pdf).

**Recovery Bond Charge/Credit:** Your bill for electric service includes a charge that has been approved by the CPUC to repay bonds issued for certain costs related to catastrophic wildfires. The Recovery Bond Charge (RBC) rate is currently \$0.00650 per kWh. PG&E has also contributed certain amounts to a trust fund which is used to provide a customer credit equal to \$0.00650 per kWh (Recovery Bond Credit). The right to recover the RBC has been transferred to one or more Special Purpose Entities that issued the bonds and does not belong to PG&E. PG&E is collecting that portion of the RBC on behalf of the Special Purpose Entities.

**Gas Public Purpose Program (PPP) Surcharge.** Used to fund state-mandated gas assistance programs for low-income customers, energy efficiency programs, and public-interest research and development.

Visit [www.pge.com/billexplanation](http://www.pge.com/billexplanation) for more definitions. To view most recent bill inserts including legal or mandated notices, visit [www.pge.com/billinserts](http://www.pge.com/billinserts).

"PG&E" refers to Pacific Gas and Electric Company, a subsidiary of PG&E Corporation. © 2024 Pacific Gas and Electric Company. All rights reserved.

### About San José Clean Energy (SJCE)

San José Clean Energy is a program of the City of San José and provides its residents and businesses with electricity from sources like solar, wind, and hydropower. SJCE offers the additional benefits of customer choice, community programs, local control, transparency, and accountability.

SJCE's standard electricity generation service, GreenSource, provides customers with more renewable power. SJCE also offers a 100% renewable product, TotalGreen, for a small premium. Learn more:

[www.SanJoseCleanEnergy.org/TotalGreen](http://www.SanJoseCleanEnergy.org/TotalGreen).

### Understanding SJCE Charges

SJCE replaces PG&E Generation Charges. PG&E continues to provide all electric delivery, billing, and gas services. Under PG&E Electric Delivery Charges, note the Generation Credit. This is what PG&E would have charged for power, and now credits back to you. The PG&E Power Charge Indifference Adjustment and Franchise Fee are factored into SJCE's rate-setting. Learn more:

[www.SanJoseCleanEnergy.org/Understanding-Your-Bill](http://www.SanJoseCleanEnergy.org/Understanding-Your-Bill).

SJ Cares is SJCE's program that allows customers enrolled in CARE or FERA financial assistance programs to receive cleaner energy at the lowest possible rates. Learn more:

[www.SanJoseCleanEnergy.org/Discount-Programs](http://www.SanJoseCleanEnergy.org/Discount-Programs).

Please pay your SJCE charges directly to PG&E (see page 1 of this bill). Do not send payment to San José Clean Energy.

### About San José Clean Energy (SJCE)

San José Clean Energy is a program of the City of San José and provides its residents and businesses with electricity from sources like solar, wind, and hydropower. SJCE offers the additional benefits of customer choice, community programs, local control, transparency, and accountability.

SJCE's standard electricity generation service, GreenSource, provides customers with more renewable power. SJCE also offers a 100% renewable product, TotalGreen, for a small premium. Learn more:

[www.SanJoseCleanEnergy.org/TotalGreen](http://www.SanJoseCleanEnergy.org/TotalGreen).

### Understanding SJCE Charges

SJCE replaces PG&E Generation Charges. PG&E continues to provide all electric delivery, billing, and gas services. Under PG&E Electric Delivery Charges, note the Generation Credit. This is what PG&E would have charged for power, and now credits back to you. The PG&E Power Charge Indifference Adjustment and Franchise Fee are factored into SJCE's rate-setting. Learn more:

[www.SanJoseCleanEnergy.org/Understanding-Your-Bill](http://www.SanJoseCleanEnergy.org/Understanding-Your-Bill).

SJ Cares is SJCE's program that allows customers enrolled in CARE or FERA financial assistance programs to receive cleaner energy at the lowest possible rates. Learn more:

[www.SanJoseCleanEnergy.org/Discount-Programs](http://www.SanJoseCleanEnergy.org/Discount-Programs).

Please pay your SJCE charges directly to PG&E (see page 1 of this bill). Do not send payment to San José Clean Energy.

### About San José Clean Energy (SJCE)

San José Clean Energy is a program of the City of San José and provides its residents and businesses with electricity from sources like solar, wind, and hydropower. SJCE offers the additional benefits of customer choice, community programs, local control, transparency, and accountability.

SJCE's standard electricity generation service, GreenSource, provides customers with more renewable power. SJCE also offers a 100% renewable product, TotalGreen, for a small premium. Learn more:

[www.SanJoseCleanEnergy.org/TotalGreen](http://www.SanJoseCleanEnergy.org/TotalGreen).

### Understanding SJCE Charges

SJCE replaces PG&E Generation Charges. PG&E continues to provide all electric delivery, billing, and gas services. Under PG&E Electric Delivery Charges, note the Generation Credit. This is what PG&E would have charged for power, and now credits back to you. The PG&E Power Charge Indifference Adjustment and Franchise Fee are factored into SJCE's rate-setting. Learn more:

[www.SanJoseCleanEnergy.org/Understanding-Your-Bill](http://www.SanJoseCleanEnergy.org/Understanding-Your-Bill).

SJ Cares is SJCE's program that allows customers enrolled in CARE or FERA financial assistance programs to receive cleaner energy at the lowest possible rates. Learn more:

[www.SanJoseCleanEnergy.org/Discount-Programs](http://www.SanJoseCleanEnergy.org/Discount-Programs).

Please pay your SJCE charges directly to PG&E (see page 1 of this bill). Do not send payment to San José Clean Energy.
