# Your energy bill

Bill date: April 30, 2021

For the period: March 25, 2021 to April 28, 2021

## Message Center

Whether you're building a backyard patio or expanding the footprint of your business, call before you dig! You or your contractor must call the New Jersey One-Call Center at 1-800-272-1000 or 811 three business days before starting any work that involves digging. It's the law. See the enclosed insert or [pseg.com/safedigging](http://pseg.com/safedigging) for more information.

Over the next four years, PSE&G will install smart meters that provide electric customers with a number of benefits. These include more detailed electric-use information, the elimination of almost all estimated electric bills, near real-time power outage detection, and more efficient power restoration following storms. To learn more, visit [pseg.com/smartmeters](http://pseg.com/smartmeters).

Is there a streetlight out in your neighborhood? To report an outage, go to [pseg.com/outagecenter](http://pseg.com/outagecenter), or call 1-800-436-PSEG (7734). Tell us the location of the streetlight, the nearest cross street, and if possible, the pole number (usually located on a metal strip attached to the pole).
