General information: Generation prices and charges are set by the electric generation supplier you have chosen. The Public Utility Commission regulates distribution rates and services. The Federal Energy Regulatory Commission regulates transmission prices and services.

Understanding Your Bill

Act 129 Compliance Rider - Monthly charge to recover costs for energy efficiency and conservation programs approved by the PUC.

Competitive Enhancement Rider - Monthly charge to recover costs to support shopping for retail electricity supply.

Customer Charge - The basic service charge to partially cover costs for billing, meter reading, equipment and service line maintenance. If you select a new supplier, the name, address and telephone number for both your distribution and supplier company will appear on your bill.

Distribution Charge (Delivery) - Part of the basic service charges on every customer's bill for delivering electricity from the electric distribution company to your home or business. The distribution charge is regulated by the Public Utility Commission. This charge will vary according to how much electricity you use.
